Our Mission

To provide children, during the critical years of their development, with a personalized education that creates a strong academic foundation, builds self-esteem, develops character, and promotes a lifelong love of learning.

Dear Mr. Elqatto and NME Builders,

Thank you for your generosity and donation of materials to our project this past summer. Our new roof is a great new addition to the school. We really appreciate your company working with us and fulfilling our needs.

Regards,

John Meiser

Head of School

For donation purposes, our Federal Tax ID # is:
31-0967486
